

## **Connance Selected To Provide Vendor Management Optimization For RCCH Healthcare Partners**

*Connance, Inc., and RCCH HealthCare Partners announce agreement*

Connance, Inc., and RCCH HealthCare Partners announce agreement to deploy the Connance Vendor Management platform and Denial Recovery Analytics to capitalize on the system's growing scale and enhance standards and process efficiency. Connance technology was chosen following a rigorous revenue cycle planning program.

RCCH HealthCare Partners Jane Motes, vice president of revenue cycle operations, said "RCCH is focused on establishing a highest quality, standardized revenue cycle platform to support our local facilities and their efforts to deliver great care. Connance technology is a powerful blend of predictive analytics with scalable configurable integration. We know this will be a high ROI project."

About Connance, Inc.

Connance is the healthcare's industry leading provider of predictive analytics solutions that personalize the financial and clinical experience for patients. Transforming the revenue cycle and value-based care delivery, Connance leverages data science, integrated to workflow to drive enhanced performance. Connance delivers Patient Pay Optimization, Reimbursement Optimization and Value-Based Risk solutions that combine our data, hospital data and consumer data to stratify patients based on social determinants to predict behavior and provide actionable insights to improve net income and patient outcomes. Connance solutions connect more than 500 hospitals, over 1000 physician practices and other clinical locations, and more than 80 collection agencies nationwide creating the largest research database of its kind.
